

AMENDMENTS TO SPECIFICATION

In the O.A. of September 24, 2007, the Examiner requested the following amendments:

The examiner requests appropriate correction to the references in line 004, of paragraph 0083. In the specification, Line 004 paragraph 0083, please replace reference characters "309" with "307". In the specification, Line 004, paragraph 0083, please replace reference characters "311" with "309". Paragraph 0083 is thus amended to read:

[0083] FIG. 3 provides a different view of the process described in connection with FIG. 2. An inducement 301 is offered to rightholder 303. The inducement can comprise money, which may have been raised from the public 305 by web-site 307, and may also comprise favorable publicity that is generated when a work is donated and posted on web-site 309~~7~~. Provider ~~311~~09 can serve as a conduit for the money raised by web-site 307, as well as for the rights and content 311 provided by rightholder 303. Alternatively, rightholder 303 can transfer rights 313 directly to the public domain.

None of the aforementioned specification amendments add new matter to the specification.
